

Budget for precept 23/24

APPROVED By Full Council 5th December 2022 FC2223/53 Budget for 2023-24 and Precept for 2023-24

The precept for 2022/23 was set at £48.83 for Band D. The taxpayer base of 6,273 resulted in a precept of £306,310.

The council continues to retain substantial reserves and it is recommended that some use be made of the built up provision to reduce the overall retention value at the end of 2023/24. A special project could be considered.

There are some pressures due to rising energy costs and further inflationary increases for staffing costs however increases are not projected for committee activities overall.

It is recommended that for 2023/24 the precept remain unchanged at £48.83 for Band D. The taxpayer base for 2023/24 is 6,287 which would result in a precept of £306,990.
